THE CHINESE MAIL.

(With the Year 1898.)

THIS paper is now issued every day. The subscription is fixed at Five Dollars per annum delivered in Hong Kong, or Eleven Dollars Forty Cents including postage to Coast ports.

It is the first Chinese newspaper ever issued under purely native direction. The chief support of the paper is of course derived from the Chinese community, amongst whom also are to be found the guarantors and securities necessary to place it on a business and legal footing.

The projectors, basing their estimates upon the most reliable information from the various ports in China and Japan, from Australia, California, Singapore, Peking, Saigon, and other places frequented by the Chinese, consider themselves justified in guaranteeing a large and ever-increasing circulation.

The advantages offered to advertisers are therefore unusually great, and the foreign community generally will find it to their interest to avail themselves of them.

The field open to a paper of this description—conducted by native efforts, but progressive and anti-obstructive in tone—is almost limitless. It is on the one hand a Chinese journal, and on the other, while it can be given to it by foreigners, like English journals it contains Editorials, with Local, Shipping, and Commercial News and Advertisements.

Subscription orders for the above may be sent to

GEO. MURRAY BAIN, Chinese Mail Office.

WHEN IS A SHIP TOTALLY LOST?

In the House of Lords, before the Lord Chancellor and Lords Watson, Herschell and Shand, the appeal came on for hearing in the case of the Sailing Ship "Blairmore," Company, Limited, vs. Macleod.

The Volunteers will go into camp some

Malloy, who sprang up and knocked down the old man. An Indian policeman came upon the scene arrested Malloy for the assault, and he was also badly knocked about by the bluejeans. At the Magistrate's court Malloy said he must have been pretty full of liquor. He did not know anything about the countenance the morning. He was fined \$15 for assaulting the constable.
